## Discussion Ideas:

1. What did this passage teach you about God's character, actions, or will?
2. What excites your prayer life? What hinders your prayer life?
3. What's something that you've been persistently bringing to God in prayer? How has He been speaking to that?
4. Share about a time when God answered your prayer with the good gift of the Holy Spirit. What happened? How did He guide or empower you?
